FORGOTTEN MIDDLE

- By 2030, 43% of older adults
 - Not eligible for most public programs
 - Can't afford senior housing or the cost of care
 - Future of Aging
 - Middle class at risk of becoming poor
 - 40% will have income below poverty
 - Basic labor force - schoolteachers, firefighters, small biz owners
 - Few pension plans, dependence on retirement savings and social security
- AGING. BETTER.
- Spending down not a sustainable option!
