Fundraising

Expanding into Concord

Changed our village structure – no longer have an executive director

A new village is piloting a service arm

Inter-generational groups coming in for sessions to work one-on-one with cell phone issues

Retired nurses assess general health and needs for new members

Categorization of members by Support Needed
(1=No Support 2=Some Support 3=A Bunch of Support)

Editor's Note: The Helpful Village platform has a user configurable "Tags" feature that could be used for this purpose.

Geographically organizing people into groups and assigning a team lead person for outages or emergencies.

Editor's Note: "Tags" could be used for that as well.

Safety for Seniors Program grant received – everyone attends a Fall Prevention Course and a Fire Prevention Course and they work with Fire Dept. who talk about carbon monoxide and smoke detector importance

BRAVO - October 17, 2019 - Sausalito

Former board members are auxiliary board members after leaving their spot and they help with recruiting members and board members
